AGEDEFI HYPER SERUM

Rs. 1296

Description

Introducing AgeDefi Hyper Serum, a revolutionary **anti-ageing solution** designed to transform your skincare routine. Formulated with a powerful blend of star ingredients, this serum targets **multiple signs of ageing**, delivering visible results with consistent use. Whether you're battling **fine lines, wrinkles, or uneven skin texture**, AgeDefi Hyper Serum works to **rejuvenate** and **revitalize** your skin, leaving it **looking youthful, radiant, and refreshed**. Suitable for **all skin types**, this advanced serum is your secret weapon for ageless beauty.

Ingredients

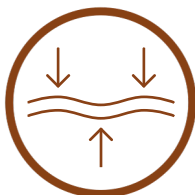

- **Retinol:** A form of Vitamin A, retinol accelerates cell turnover, stimulates collagen production, and unclogs pores, reducing fine lines, wrinkles, and acne.
- **Bakuchiol:** A natural alternative to retinol, bakuchiol improves skin texture, tone, and firmness without irritation, reducing the appearance of fine lines and wrinkles.
- **Peptides:** These molecules stimulate collagen production, promote skin repair, and reduce fine lines and wrinkles.
- **Camellia Leaf Extract:** Rich in antioxidants from green tea, this extract protects against environmental damage, soothes inflammation, and supports skin repair, preventing premature ageing.
- **Polyglutamic Acid:** A potent hydrator that enhances the moisture-retaining properties of hyaluronic acid, locking in moisture for a supple, plump appearance.
- **Niacinamide (Vitamin B3):** This powerhouse ingredient strengthens the skin's barrier, reduces redness and blotchiness, and improves texture and tone, regulating oil production for a balanced complexion.
- **Glycerin:** A classic humectant, glycerin draws moisture into the skin, maintaining balance and leaving it soft, smooth, and hydrated.
- **Hyaluronic Acid:** Capable of holding up to 1000 times its weight in water, hyaluronic acid hydrates and plumps the skin, reducing fine lines and leaving the skin dewy and revitalized.
